Thoughts from the Chairperson

Chairman's Message:

Hi Everyone,

The Summer is just flying by. Almost time for the Holidays! So hard to believe, where did the time go? Luckily, we had so many nice summer days to enjoy our events.

Our last event was our annual Meadowdale Meet held on September 11. The event was a big success this year. It is nice to see the show continuing to grow each year. We had more cars than ever. Not to mention, we added 6 new members to our ILNCRS Chapter!

Next coming events coming up:

Tech Session – Scott & Carol Lindee's home in Mokena IL. October 23, 2022

RSVP needed - Please let us know if you are interested in attending.

MCACN - Rosemont, IL. November 19 & 20

If you have parts you want to sell, it is time to dust them off and get them ready. ILNCRS is supplying a spot for ILNCRS members to sell parts- you must be there to do so, limited space. (Please contact Bill Braun to reserve)

ILNCRS Holiday Party- Villa Olivia, Bartlett IL. December 4.

Flyer will be e-mailed in November, please look out for it.

Thank you to the ILNCRS Board of Directors and Officers, as they work very hard planning each event. I would also like to thank everyone who is able to attend. It was so great to see members helping with judging, tabulating, not to miss unloading and loading up supplies. A true team effort- Thank you! It's things like this that makes our chapter special. I hope to see all of you soon.

Bill Braun- ILNCRS Chairman

David King, Merchandising Manager NCRS

David King provides FANTASTIC Custom..., wait, as I am getting ahead of myself.

I earned my Mark of Excellence Duntov Award at the NCRS 2019 Greenville SC National Convention. Ordered a NCRS Duntov red polo shirt via The NCRS Driveline, and wore it a few times as I pursued The Sportsman Award.

The Duntov red polo shirt just never fit comfortably, checked the label, made in China, hmmm. I decided not to wear this uncomfortable polo again, and purchased another red polo shirt made in America, which did fit comfortably. Now the embroidery....how?

Sent an email to David King, the NCRS Merchandising Manager, explaining my situation, very uncomfortable fit, etc. requesting some way my new red polo could receive the embroidery as a NCRS Duntov Award polo.

That very same afternoon I received an email back from David, requesting confirmation of my initial on-line purchase. Found my receipt and the following day, emailed same to David.

David, again responded that same day, send both red polo shirts back, will have the embroidery done for a small fee plus the shipping cost. David also arranged for a refund of the difference from my initial Duntov polo purchase price.

WOW!! This is a Great Deal, I am very HAPPY, more than Satisfied, I have never experienced Customer Service to this HIGH level.

This is why I say, David King provides FANTASTIC Customer Service!!

Thank you, David, THANK YOU.

Chet Kumm, 50585

PS. I have to also tell you, a few days later I sent an email to David, asking if it would be ok for me to tell my story. Again, David promptly responded, yes, you can, but I doubt if anyone will believe it.

Well, I believe it, and after reading about my experience with David, I know all of you will also BELIEVE.

An American Flag

Hello Chapter Members, The NCRS Illinois Chapter is seeking the donation of a free standing upright American Flag, with a two-section wood 7' high flagpole and base stand, new or used is fine.

To be utilized at our Illinois Chapter Business Meetings and Judging Events, when saying The Pledge of Allegiance.

Now I am not an expert regarding the American Flag sizing, etc., to be utilized for our live meetings, so if a more knowledgeable member would like to provide additional insight into what is proper, we would welcome your confidential input.

Please direct your input and questions to my email, caak66@yahoo.com.

We "Thank You" for your input and potential donation.

T-Shirt for the North Central Regional

Whether you believe all Corvettes are red or not, there was one person who was born and lived in Minnesota who did. Prince built a life for himself through his music and countless fans who were drawn to him. His style and music set him apart in the annals of music history as one of the greatest artists of all time.

For the 2023 Regional being held in Rochester, MN, the North Central Chapter has obtained special permission for the use his likeness on the T-shirt for the event.

Whether you are coming to the Regional or not, the shirts are available for purchase directly through the North Central Chapter. All shirts will be ordered at the same time just prior to the June, 2023 Regional. If you are coming to the event, the shirts are available there through the normal registration process.

If you are NOT coming to the event but want this special shirt anyway, please contact Lyn Miles at:

lyns58vette@yahoo.com

The price of the shirt is \$20 (\$22 for XXL and \$23 for XXXL).
